

FOR FEMINIST ACTIVITY IN THE COMMUNITY

## A COMMUNITY ACTIVISM AWARD

A joint convenor of the F Collective 'Mac' is an indefatigable campaigner for feminist causes. As part of the collective she organised a counter protest to the DAY OF THE UNBORN CHILD event at St Mary's Cathedral, displaying pro-choice placards. She raised funds for RECLAIM THE NIGHT and Elsie Women's Refuge with her PANCAKES AT MACS. Her CHICKS WITH PICKS Fair Day event and album raised hundreds of dollars for Elsie. For the SoS WOMEN'S REFUGE CAMPAIGN petition Mac collected over 1000 signatures in 11 hours straight at Redfern Station.

Mac featured topless on SBS TV for the FREE THE NIPPLE campaign. She advocates toplessness, her Facebook photographs have attracted bans.

She makes valuable contributions to major feminist events with her ability to organise – logistics, power connections, Auslan interpreters, and entertainment. She inspires others with her energy, her fearless advocacy and her commitment.
